AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from \$11,510.94 to \$19.81, in 1961, as shown herewith:

	Dec. 31, 1960	Dec. 31, 1961
Total Assets	\$99,815.22	\$125,085.05
Current Liabilities	88,304.28	125,065.24
	<hr/>	<hr/>
Current Surplus	\$11,510.94	\$ 19.81

Surety Bonds of Town Clerk and Town Treasurer:

The surety bond of the Town Clerk should be increased from \$1,000.00 to \$3,000.00 and the bond of the Treasurer from \$15,000.00 to \$20,000.00 in order that the amount of the bonds may be more proportional to the amount of funds received and in the custody of these officials.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Bow for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting

REPORT OF THE BOW VOLUNTEER FIRE DEPARTMENT FOR 1961

During 1961 your Fire Department responded to 28 runs as follows: 6 chimney, 2 house, 1 car, 2 grass, 4 brush, 2 camps, 1 shed, 3 assists to Concord, 1 wood pile, and 6 other miscellaneous runs. The approximate gross fire loss was \$3,675.00. Insurance paid was \$3,170.65. Net fire loss was \$504.35.

Most of the money raised by the Department was spent for new Equipment. Two aluminized proximity suits were purchased for rescue work and for getting in close to hot fires and also oil fires. A pool table was purchased for firemen's recreation.

Our new truck arrived on Oct. 14 and passed all underwriters' tests on that day. Our men have trained on the truck very faithfully and it has added very much to the town's fire protection. The Ladies Auxiliary purchased 5 new coats and 5 new helmets for the new truck.

During 1962 a Fire Prevention program is being planned and we would also like the residents to cooperate with the department in an inspection program for the home. Let's keep our 1962 fire rate low. Fire Prevention is everybody's business.

I would like to thank everyone concerned for the help and guidance given me in my first year as your chief. Remember your Fire Department is ready to serve you whenever needed.

Signed,

JAMES R. GOODWIN, Chief

REPORT OF LADIES AUXILIARY TO BOW VOLUNTEER FIRE DEPARTMENT

On Sept. 14th the Ladies Auxiliary to the Bow Volunteer Fire Department held their first meeting for the year 1961-1962. With this meeting we began our seventeenth year of activities.

The meetings are held on the first Thursday of the month, at 8 o'clock at the Community Building.

This year the Auxiliary were pleased to be able to donate a sum of money to the Firemen for the renovating of their room, and 5 helmets and 5 jackets were purchased for their use.

We served two suppers, one in Dec. for the Fire Wardens, with an attendance of 50, then again in May we served the Fire Chiefs, when over a hundred sat down to supper.

We have donated towards the Salvation Army Drive, and to the Heart Fund. This year we sponsored the Halloween party for the children of Bow; the Mothers Club, the Men's Community Club, the Firemen, and Grange shared in the expense.

At Christmas several shut-ins were remembered with Fruit Baskets and plants. A check was sent to the State Hospital Auxiliary for gifts for the State Hospital patients. We have sponsored whist party series during the year. In April we entertained the Ladies from the Loudon, Chichester, Canterbury and Concord Fire Auxiliaries.

Following our business meetings, we enjoy a social hour; at our December meeting we had a casserole supper, and an exchange of gifts, and in June our annual

Banquet, when we suspend meetings for the summer. We are always happy to welcome new members, old residents or new ones.

Please join with us and help support the Fire Department of Bow.

Respectfully submitted,

IDA FLANDERS, President
HELEN YOUNG, Secretary

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump — we are simply protecting yours and the town's interests.

The ever-present threat of forest fires is the concern of all of us; responsibility for preventing them is ours and the costs of extinguishing are ours. You can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
 2. Secure the required burning permit.
 3. Keep your fires under control.
 4. Completely extinguish your fires before leaving them.
 5. See that your children are properly cautioned.
- Everyone will benefit by it.

ANNUAL REPORT OF BAKER FREE LIBRARY

The Baker Free Library located on South Street in Bow is your library. All families, those who have lived here all their lives or have just recently moved here, are cordially welcomed to come in and use our resources. We endeavor to find suitable books for all ages.

Our hours are:

Monday from 2:00-8:00 p. m.

Wednesday from 2:00-5:00 p. m.

Saturday from 2:00-5:00 p. m.

The summer schedule goes into effect the week after school closes in June. Then we are closed Saturdays but open Friday evening from 7:00-10:00 p. m. This ends on Labor Day.

1961 has seen increased demands on the library staff. Our circulation increased by 6,377 and totaled 25,929 books and magazines for the year. We are constantly trying to fill the needs of the pupils and teachers of Bow School. We sincerely think that we have a fine juvenile collection. Since we have our new fluorescent lighting, many students are now studying and consulting our reference material here. It has been a great satisfaction to the staff to be able to clearly see the books in the stacks. Now we have no excuse for saying a book is "out" when it is sitting there on a lower shelf. Among other improvements we have completed the shelving and the outside of the building has been painted.

Again this year, we entertained the Mothers' Club at the library. Mr. William Hopkins of the N. H. State Extension Service showed the film, "The Day the Books Went Blank," and also explained about the Bookmobile service. Many new books were exhibited.

Mrs. Roland Robinson and Mrs. Lloyd Brown are members of the staff. The trustees with this staff attended last spring, a neighborhood meeting in Canterbury. Mr. Emil Allen, assistant state librarian, gave a talk on fiction buying for small libraries.

Once more, we wish to remind you that we are hoping to serve you. Please come in and tell us what you want or in what you are interested. We will do the rest.

Respectfully submitted,

BARBARA K. HOWE,
Librarian

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Bow:

Our total projected enrollment in the immediate years ahead continues to increase rapidly. This assumption was made upon the number of births as shown by the census figures, plus the children registered in school. A glance at the elementary enrollments located elsewhere in this report will show that fewer children were enrolled this fall than were in school last year. However, this is an isolated fact and concerned relatively few families with many children of school age who moved out of Bow.

The need for additional classrooms or for new school construction will be discussed by the Building Committee and therefore will not occur in this report.

Teachers comprise one of the two most essential ingredients of any school system. A school's strength or weakness is dependent upon the caliber of teachers it employs. It is a distinct pleasure to report that we are extremely proud of our staff and the excellent work which has been accomplished. These achievements could never have been made were it not for the progressive, cooperative effort of the School and Finance Boards, the excellent community spirit which allowed us the opportunity to provide a better educational environment for the pupils, a town-wide appreciation and a desire for a good education.

The measure of any good school is its record of accomplishments. Because many of these achievements were listed in last year's report, for brevity's sake, they will not be repeated here.

A good school can never become complacent; some improvement can always be made and must be subjected to continuous evaluation.

This past school year we sought to implement and to improve those areas which we felt needed to be improved.

This June, Miss Marion E. Smith will retire after teaching continuously in the Bow schools since 1918, a long and proud record of forty-four years. Words, even the most sincere words, cannot pay enough tribute to her career of loyal, faithful and dedicated service — all dispensed with loving, human understanding. We wish Miss Smith a happy and healthful retirement.

May I again take this opportunity to express my sincere appreciation to the Bow School Board for their excellent assistance and cooperation, and to the interested citizenry of Bow who have so ably supported our fine school.

Respectfully submitted,

CHARLES H. MINNICH,
Superintendent of Schools
